***850 LAKE SHORE DRIVE AND WTTW/WFMT CELEBRATED  
STANLEY PAUL IN "SONGS & STORIES OF A GLAMOROUS ERA"  
AT THE ARTS CLUB OF CHICAGO***

CHICAGO (November 2010) — Guests were "Bewitched" by pianist and orchestra leader extraordinaire Stanley Paul, whose name and music have been synonymous with Chicago for over 40 years. Hosted by **850 Lake Shore Drive** and **WTTW/WFMT**, the legendary artist re-created the sights and sounds from the star-studded, world-famous Pump Room in "Songs & Stories of a Glamorous Era" on Thursday, November 11 at The Arts Club of Chicago. It was a musical love affair from beginning to end!

The luxurious living room was filled to capacity, and all were royally treated to the music of yesteryear. The stage was set: Stanley Paul at the piano with tributes to Fred Astaire and Bobby Short along with tunes from Rodgers & Hart and other classics such as "Over the Rainbow." A 15-foot screen showcased the most admired names and faces in Hollywood, including Bette Davis, Judy Garland, Frank Sinatra, Lauren Bacall, Carol Channing and Ethel Merman. A mature audience swayed, laughed and sang as Stanley reminisced to the Marvin Hamlisch song "The Way We Were."

Following the performance, a lavish dessert buffet and reunion with the adored Stanley Paul was enjoyed.
