[SOAR Reachs New Heights At It's 5th Annual Blueprints Celebration](#)

850 Lake Shore Drive, Chicago's new premier senior living community set to be completed in 2012, is proud to present SOAR'S (Streeterville Organization of Active Residents) 5th Annual "Blueprints" Celebration, Monday, September 13 from 6:00 to 9:00 p.m. in the Signature Room at the John Hancock Center (875 N. Michigan Ave). "Blueprints" celebrates the dynamic Chicago neighborhood of Streeterville & honors those who have contributed greatly to the community and city.

SOAR proudly presents Jeanne Gang of Studio Gang Architects with the "2010 Vision Into Reality Award" for her innovation & creativity. Ms. Gang is recognized for designing Chicago's Aqua, which received the Emporis 2009 Skyscraper of the Year Award, & also is the largest project ever awarded to an American firm headed by a woman, in addition to other dynamic projects around the world.

The evening of inspiring architecture promises fine food, spirits, live music, exciting live & silent auction prizes as well as dramatic views of Chicago's skyline. Tickets are \$100 per person. Ticket purchases & donations: 312.280.2596

About SOAR

Founded in 1975, the Streeterville Organization of Active Residents (SOAR) is a 501(c)3 non-profit, non-partisan volunteer organization. SOAR's mission is to work on behalf of Streeterville residents by preserving, promoting, and enhancing the quality of life and community in Streeterville.
